

Ewe & Lamb - 30% Lupin

Ideal for ewes & lambs.

Properties: Ideal block for lambing ewes and ewes with lambs at foot. Also good for other ruminants when the weather is harsh and feed quality poor. Lupins enhance consumption by enticing sheep to bite them out of the block structure thereby consuming the ration.

Ingredients: Salt, lupins, molasses, calcium carbonate, rock phosphate, zinc oxide, magnesium sulphate, copper sulphate, potassium iodide, sulphur and manganese sulphate.

NUTRIENT ANALYSIS	
Lupins	30%
Salt Max	42%
Protein Min	8%
Molasses	6%
Sulphur	0.19%
Iron	0.02%
Phosphoric acid	10%
Magnesium sulphate	0.28%

Iodine	0.5%

20kg Block

(Hard pressed)

Recommended feeding based on 1 block per number of head

Feed throughout pregnancy up to weaning

Number of Sheep or Goats	Number of Cattle	Number of days
70	10	28

The above feeding rates are a guide only. Variances due to pasture quality, climate, workload and age of the animal will give different results. This product is suitable for ruminants only and not recommended for other animals. Please use the feeding table as a guide only and ensure feeding guide is introduced gradually to all animals, as unobserved diet changes can be detrimental to final results or the animals health.
