Salt Max	51.0%
Salt Min	45.0%
Crude Protein	1.80%
Magnesium	26,600 mg/kg
Sulphur	5000 mg/kg
Zinc	2500 mg/kg
Copper	625 mg/kg
Cobalt	6.33 mg/kg
Iodine	3.33 mg/kg
Iron	750 mg/kg
Calcium	11.0%
Phosphorous	2.5%

20kg Block

(Hard pressed)

Recommended feeding based on 1 block per number of head

Consumption: Furneys recommends leaving the block in the paddock in a corner or under a tree (out of the way).

Number of Horses	Number of days
2	150

The above feeding rates are a guide only. Variances due to pasture quality, climate, workload and age of the animal will give different results. This product is suitable for horses only and not recommended for other animals. Please use the feeding table as a guide only and ensure feeding guide is introduced gradually to all animals, as unobserved diet changes can be detrimental to final results or the animals health.
