20kg Block

(Hard pressed)

Recommended feeding based on 1 block per number of head

Number of Sheep	Number of Cattle	Number of days
50	10	28

The above feeding rates are a guide only. Variances due to pasture quality, climate, workload and age of the animal will give different results. This product is suitable for ruminants only and not recommended for other animals. Please use the feeding table as a guide only and ensure feeding guide is introduced gradually to all animals, as unobserved diet changes can be detrimental to final results or the animals health.
